

## Home Fire Escape Plan

*Draw your home and label escapes  
Routes out of your home*

- Plan two exits out of each room
- Do not block exits
- Have a safe meeting place
- You are required to hold fire drills on a monthly basis, make sure everyone understands the planned escape
- Smoke detectors must be by sleep area's

## Building for Future

This child care receives Federal cash assistance to serve healthy meals to your children. Good nutrition today means a stronger tomorrow! Meals served here must meet nutrition requirements established by the USDA's Child and Adult Care Food Program.
